Please adhere to the following order: Title, Authors, Affiliations, Abstract, PACS codes, Keywords, Main text, Acknowledgements, Appendix, References, Vitae, Figure legends, Tables. *Corresponding author*. Please indicate the corresponding author: full postal address, e-mail address, telephone and fax numbers on the title page. *Abstract*. All papers should have an abstract of no more than 150 words. *PACS classification codes/Keywords*. Please supply us with one or more relevant PACS classification codes and 1–6 keywords of your own choice for indexing purposes. *References*. References to other work should be consecutively numbered in the text using square brackets and listed by number at the end of the article. *Illustrations*. Illustrations should also be submitted in triplicate. One set must be in publishable condition. Figures should be clearly numbered. *Colour*. If judged essential by the Editor figures may be published in colour. The Publisher and the author will each bear part of the extra costs involved. Further information is available from the Publisher.
